Checking the Gauges: A Look at Assessment at FAMU

NSSE

The 2020 National Survey of Student Engagement (NSSE) is currently underway! Freshmen and seniors have been asked to provide insight regarding their FAMU experience. This valuable information will be shared across the FAMU community to ensure we are serving the interests of our most valuable stakeholders – students!

Please tell your students to complete the survey using the link provided by their University leaders! Students can search '2020 NSSE' in their famu.edu inbox to access a message with the link.

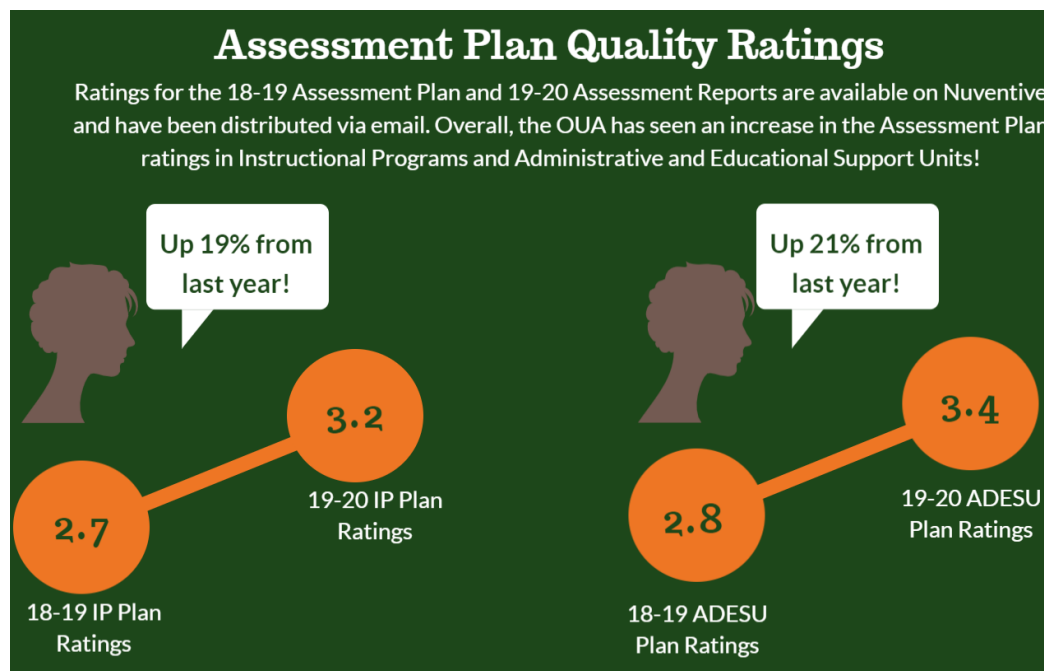

Please contact the OUA if you have any questions!

FSSE

The 2020 Faculty Survey of Student Engagement (FSSE) will begin on March 31st!

We will raffle a lunch with President Robinson and a gift bag for participating faculty!

The link to access the FSSE will be provided via your famu.edu email in the coming weeks. As always, contact the OUA if you have any questions.

The OUA continues to provide updated ratings based on changes to the Assessment Plans. Please note, we have transitioned fully to Nuventive and assessment liaisons no longer have access to LiveText.

As a result, no changes can be made to 18-19 Assessment Reports.
