

**DAVID R. GUTHRIE, DNP, ARNP, ACNP-BC, CCRN**

Dr. Guthrie brings a wealth of clinical experience and knowledge and pathophysiological sciences, health assessment, and medical surgical nursing. Dr. Guthrie's 30+ years of teaching associate, baccalaureate, and masters nursing students bring a benefit to the learning of the discipline. Dr. Guthrie is a registered nurse with current certifications in critical care, basic life support, advanced cardiac life support; he is also an advanced practice registered nurse with certifications as an acute care nurse practitioner, and a doctorate in health systems leadership. He has been chairman of several committees, a faculty senator, and on the board for the Tallahassee Council of Advanced Practice Nurses. He has authored, or co-authored, in peer-reviewed nursing journals. Areas of research interest include 3 basic areas: clinical area—critical/intensive care; leadership/administrative area—policy analysis; educational area—clinical pedagogy. Dr. Guthrie was awarded the Tallahassee Council of Advance Practice Nurses (CAPN) Nurse of Excellence for 2016/2017.
